USE OF YOUR INFORMATION

The summary below explains how APEX uses your personal information. A more detailed explanation is available in our privacy statement online at <http://www.apexbridging.co.uk/privacy-policy/> APEX will process and retain your personal data in accordance with its legitimate interests and/or legal obligations. These include us considering whether to offer a loan; the terms on which it might do so; and to deal with all aspects of any contractual relationship between you and APEX. Detailed information on your rights in relation to your personal information including the right to access your data is available from the ICO whose website is <https://ico.org.uk/>

DECLARATION

As a responsible lender, APEX BRIDGING will carefully assess the information you have provided on this application form. If we do provide an offer letter to you, we have the right at any time before the loan completes to withdraw, revise or cancel our offer without providing a reason.

APEX BRIDGING may carry out a range of checks about you and your credit status, making a search and/or register information about you and the conduct of your account with a licensed credit agency. Information is used to verify ID and help make credit decisions for fraud prevention or for tracing debtors, and by signing this form you authorize and consent to us making these enquiries. The credit agency may keep a record of that information.

Please note the following:

In order to prevent or detect fraud, the information provided in the application will be shared with fraud prevention agency/ies; If false or inaccurate information is provided and fraud identified, details will be passed to fraud prevention agency/ies to prevent fraud and money laundering.

Law enforcement and government agencies may access and use this information to prevent fraud and money laundering

We will make searches for similar applications made by the applicant to other lenders and that application and, if fraud is suspected, other relevant details will be shared with those lenders;

This information may be used by other entities to prevent fraud and money laundering, for example, when:

- making financial or credit-related decisions about the applicant
- Managing credit and credit related accounts or facilities
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

You can find out which fraud prevention agencies are used by the Member and of the method by which they can find this out. Members must ensure that this information is made readily available to the applicant and preferably by means of a dedicated telephone contact number. Members shall ensure that where it provides information relating to the Company that such information shall be limited to the following contact details:

www.nhunter.co.uk ; or National Hunter, PO Box 2756, Stoke on Trent, ST6 9AQ. You have a right of access to information held by the relevant Member.

Please note that it is a criminal offence to knowingly or recklessly give false, inaccurate or misleading information when applying for a loan. If you provide such information, you may be reported to the police and prosecuted.

It is important that you ensure that all statements made on this application form and other documents in connection with this application are full and accurate and are correct, and that you have read and understood the contents of this declaration.

Please tick this box if you would like to receive information from Apex, regarding our products or services.
